A tired stomach is very much like a sprained ankle. If you suffer from any of the symptoms of dyspepsia, your stomach is tired. It needs a crutch. We must relieve it of all work for a time, or until it is restored to its natural strength. To do this successfully, we must use a food which is already digested outside of the body, and which will aid the digestion of other foods that may be taken with it. Such a product is the Shaker Digestive Cordial.

The Shakers have utilized the digestive principles present in plants for the manufacture of this article, and its success has been truly phenomenal. You can try it for the nominal sum of 10 cents, as sample bottles are sold by all druggists at this price.

Laxol is the best medicine for children. Doctors recommend it in place of Castor Oil.

The Kremlin at Moscow contains the remains of Poland and all the other empires and principalities which Russia has overthrown.

The wife of Mr. Leonard Wells, of East Brimfield, Mass., had been suffering from neuralgia for two days, not being able to sleep or hardly keep still, when Mr. Hadden, the merchant there, sent her a bottle of Chamberlain's Pain Balm, and asked her to give it a thorough trial. On meeting Mr. Wells the next day he told that she was all right, the pain had left her within two hours, and that the bottle of Pain Balm was worth \$5.00 if it could not be had for less. For sale at 50 cents per bottle by druggists.
